Dear Mr. Shajary:

Re: Approval of Plan Amendment for Western Claims and Crescent Claims Landfills,
Georgia-Pacific Corp., Sigurd Quarry, M/041/009, Sevier County, Utah

The Division received your February 6, 1992 response to our October 23, 1991 letter, concerning the submittal of supplemental information about the Crescent Claims landfill. The Division has now received all requested information concerning the Western Claims and Crescent Claims landfills.

The amendment to incorporate these two landfill sites into the main Sigurd Quarry Plan is hereby approved. The approval of this amendment does not relieve Georgia-Pacific from addressing the requirements of the Utah Division of Solid and Hazardous Wastes, if they choose to permit these landfill sites in the future.

Thank you for your attention and diligence in addressing these permitting needs.

Sincerely,

Holland Shepherd
Senior Reclamation Specialist
